

First Saturday Art Classes 2011-12 At the Henry County Arts Council

Join us on the first Saturday of each month to discover more about different types of artwork. Each month a different medium will be featured and participants will create a piece of art representing that medium.

Pre-registration helps the Arts Center plan for materials and supplies. Please call the Arts Center in the event that you are unable to attend. By doing so, you will create a space for another child. Thanks!
