

Survey

As a 501c3 public service organization, the Henry County Arts Council exists to serve the Henry County Community by meeting community needs for the arts. Often these needs are not fully identified, especially since they are less apparent than basic food, clothing, & shelter. Our mission statement leaves room for almost anything. Whatever the specifics, significant fundraising is always required, known as "cultivation" in the non-profit world, just like planting & harvesting crops in Henry County. Finding donors is only one step in the process, like shopping for seed. The question HCAC would like you to answer is: *What do you see as your role in HCAC's "cultivation" process?*

Please respond via email to HCAC (henrycountyarts@embarqmail.com) selecting an answer (or answers) from the list below, with or without comments. Contact information would be greatly appreciated, especially if you are interested in assisting in the process. (If you do not have access to e-mail, feel free to mail this form to HCAC, 129 W. Washington St., Napoleon, OH 43545.)
